

EVERYTHING **DiSC**
CERTIFICATION + WORKPLACE SPECIALIZATION
Online

Are you looking to:

- Gain expertise and credentials to conduct Everything DiSC Workplace® sessions in your organization?
- Build confidence in Everything DiSC® and the research behind it?
- Learn from the flexibility and convenience of your office or home?

Then the Everything DiSC Online Certification – Workplace Specialization is for you.

This online course blends self-directed learning and live collaborative activities to guide you in exploring all the Everything DiSC profiles. You'll:

- Experience the Everything DiSC Workplace assessment and personalized profile, and apply the profile to real-world scenarios.
- Deepen your expertise about the theory and research behind Everything DiSC, including how to use the research to address common questions from your team.
- Explore the Everything DiSC Workplace facilitation kit, including ways to use the resources to meet the needs in your organization.

PRICING

is online!

COURSE HIGHLIGHTS

This online workshop consists of four modules over a four-week period, followed by a final exam. Each module requires three to five hours of time per week. The course includes:

- Self-directed online work that integrates a rich media experience with active-learning activities to help you apply DiSC theory and concepts in an engaging way.
- Live facilitated sessions filled with collaborative learning opportunities and breakout sessions. All of this is facilitated virtually by our professional trainers who are with you every step of the way.

**If you already own the Everything DiSC Workplace Facilitation Kit, the cost of this certification is \$1,800.*

IS ONLINE CERTIFICATION RIGHT FOR YOU?

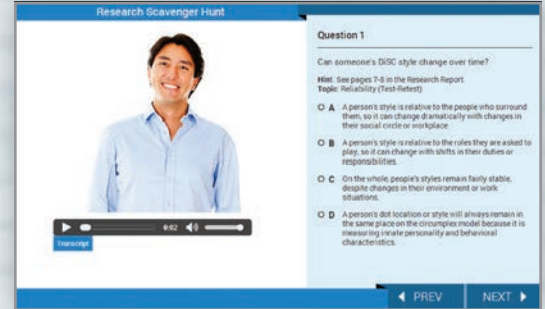

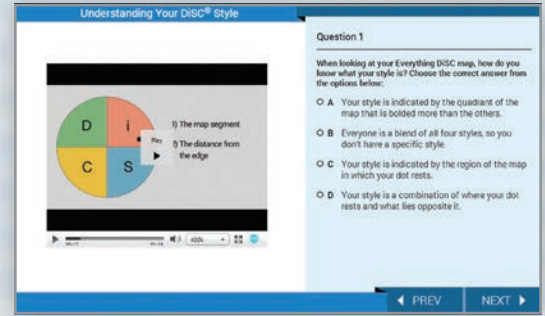

- Can you commit to four weeks of self-directed and instructor-led work?
- Are you a motivated learner who will be responsible for completing all assignments and required reading?
- Can you attend ALL four live instructor-led sessions?
- Can you meet the technical requirements listed below?

Other certification opportunities available. Talk to your Authorized Partner for more details.

TECHNICAL REQUIREMENTS

Participants must use a laptop or desktop computer (Mac or PC) and recommended browsers to access the course online and complete the activities (not a tablet or smart phone). Talk to your Authorized Partner for more information.

Participants must have access to a phone (cell or land line) to attend the weekly live collaborative session.

“This Certification helped me see how many different ways I can use Everything DiSC in my organization.”

—Instructional Designer

“I learned much more than I anticipated—even the research and validity were presented in an interesting, easy-to-follow, concise manner.”

—Executive Trainer
